In Memory of Betty Clifford

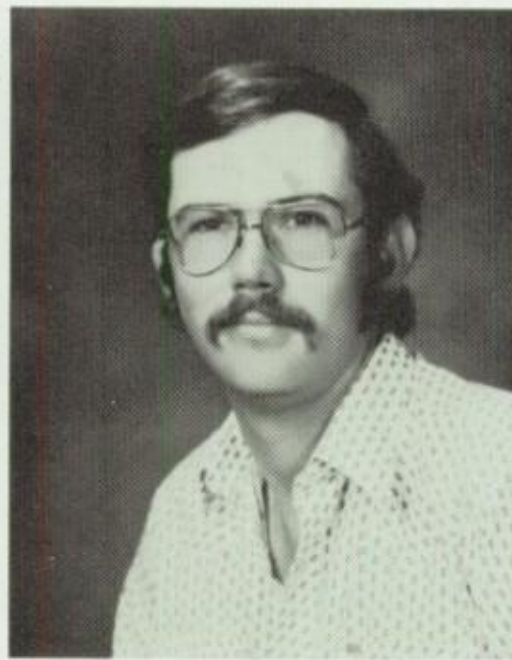

VICTORY

The battle's done, the victory's won
Life's darkness veils no more.
Gone is pain, heaven is gained,
Only brightness now is yours.
Your body is healed — the long ordeal
Your life on earth been served.
The victory song, desired so long,
Heard now, is so deserved.
You've lived well, and so death's knell
Has lost its frightful sound.
A life that's good, the memories flood
Sweet release has now been found.

SCHOOL BOARD

One of the most unbecoming diseases that plagues all Americans is forgetting to acknowledge the good deeds of those around us. There are two groups that the majority of us take for granted the most: those who perform small but important jobs, and those who take care of us with the larger, more complicated jobs. Our School Board falls into the latter category. These people slave over such issues as bussing, heating, hiring good teachers, and providing us with the fantastic facilities we enjoy. They do a superb job of molding the tax payers' money into a "grade A" school. Thank you, Board Members, for taking so much time and effort to provide the best for us.

Keep in mind that their main interest is to see that all students get a proper education so they will have a strong foundation to face the world of today and a world of tomorrow.

THE SUPERINTENDENT'S MESSAGE

It is a pleasure to work as superintendent in the Keyes School system and to be associated with our students, faculty, and staff. It is my goal as superintendent to help provide first-class curriculum, facilities, and atmosphere conducive to positive learning. With the combined help of our teachers, staff, administration, and board of education, I feel we were able to do that this year.

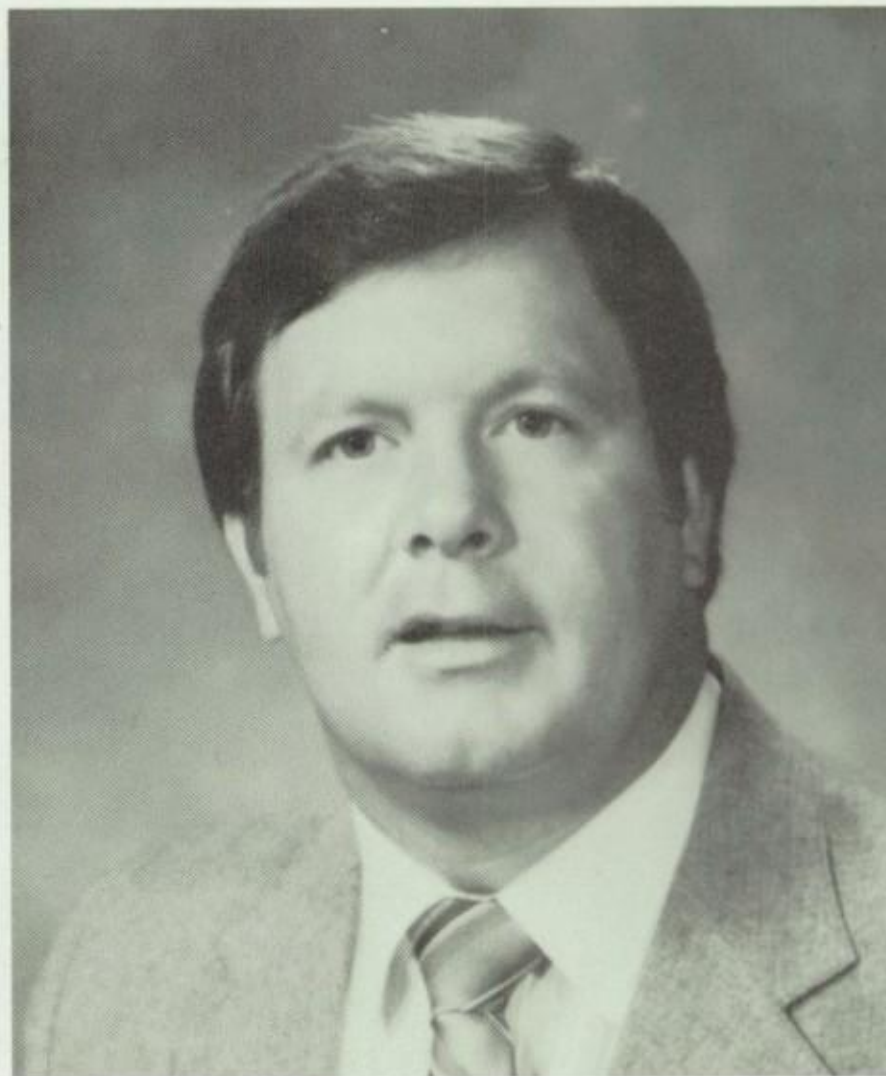

I am very proud to be associated with a school and community having such rich traditions as are expressed in this publication. "Pirate Pride" is evident throughout! I would like to thank the 1983-84 annual staff and Mrs. Rhoton for all their hard work in producing this year's annual. This publication will become a valued *keepsake* for all those included in its pages and those involved in its making.

We would like to thank the cooks for fixing our food every day. We appreciate the festive moods you set in the cafeteria on the holidays and special occasions.

We would like to thank the custodians for keeping our school in great shape, for keeping it clean, and for keeping the yards well groomed and attractive. Such attractive well-kept facilities make us proud to invite other schools here for ballgames and other activities.

We would also like to thank the bus drivers for getting us students to school safely at all times and making that extra effort to get us here on time even if there is bad weather or a hard test to be taken that day.

ORGANIZATIONS

OKLAHOMA HONOR SOCIETY

This is a state organization set up by the State Department of Education. It is limited to the top 10% of the student body. Students who have grades for the current semester and the last semester of the preceding year in the top 10% will be awarded membership certificates in this society.

Standing, L. to R.: Mrs. Elms, Sponsor; Traci Williams; Steve Perky; Janell Smalts; Jamie Bourk; and Tiffany Adams. Sitting, L. to R.: Scott Arthaud and Dana Arthaud.

NATIONAL HONOR SOCIETY

Membership in the National Honor Society is an honor and a responsibility. The students must have a B average or better before they are even considered for membership. Qualities that members are judged on are: service, leadership, and character. A faculty council selects the members by giving them a one, two, three, or four in each of the three categories. Total points must average 12 or more for a student to be invited to join the council.

L.to R.: Dawn Foust; Travis Smalts; Lynn Cook; Mrs. Elms, Sponsor; Sherri McCarty; and Traci Williams.

STUDENT COUNCIL

The Student Council is perhaps the most important student organization in the school. It is a cooperative group working with the principal to promote better understanding between the students and faculty, and it provides an opportunity for the student to have a voice in the management of school affairs. Its membership is composed of representatives from the classes.

Seated, L to R: Dana Arthaud, Dawn Foust, Sherri McCarty, Tami Grazier, and Neil Ferguson. Standing, L to R: Debbie McCarty, Tiffany Adams, Randy Smalts, Mrs. Rhoton, Sponsor, Travis Smalts, Susie Strasner and Traci Williams.

YEARBOOK STAFF

The Yearbook Staff is a hardworking organization. There is plenty of work to be done for everyone. We do a lot of work selling ads. Then we sit down to put the pages together. It takes about eight hours to do one page. There are pictures to be taken, pictures to be cropped, and pages to be designed. At times the work becomes frustrating and confusing, but when all is said and done — the work is fun.

Unusual Accident Leaves Amarillo Couple Hanging

The Amarillo Daily News reports that a couple was killed in a rare accident involving a car and a horse. The couple, a man and a woman, were driving on a dirt road when the car rolled over and became entangled in a large tree. The woman was killed instantly, and the man was seriously injured. The horse, a valuable Arabian, was also killed. The accident occurred on a remote road near Amarillo, Texas. The cause of the accident is still under investigation.

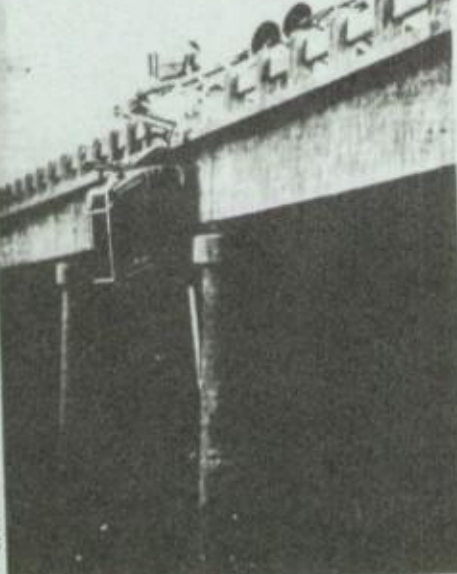

Preparation for '83-'84 Term Signaled by Supply Lists

As the school year approaches, the preparation for the '83-'84 term is well underway. This is evident from the supply lists being distributed to students. The lists include everything from textbooks to stationery. The school district is working to ensure that all students have the necessary materials for a successful year. The lists are being distributed to students in the weeks leading up to the start of school. Parents are encouraged to review the lists and purchase the necessary supplies for their children.

Wildcats to Scrimmage

The football season is about to begin, and the Wildcats are looking forward to a successful year. The team will be scrimmaging soon to get into shape for the upcoming season. The coach is confident that the team has the talent to compete at a high level. The Wildcats will be facing some tough opponents, but they are ready for the challenge. The team's goal is to win the state championship. The coach is looking for a strong start to the season, and he expects the team to perform well in their first game. The Wildcats are excited about the new season and are ready to take on whatever comes their way.
